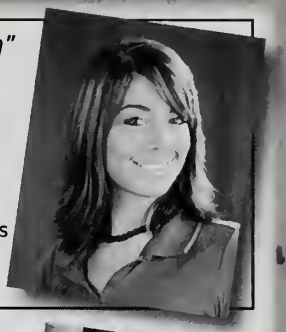
"Rach"



Loves: Friends and family, Christmas and spending time with the girls
Likes: Shopping, food, Pac Sun, Florida, sleeping and the beach
Dislikes: Reading, push-ups, math, stress, homework and car accidents
School Activities: Student Council
Thank yous: Mom, Dad, George, Pat, Jay, and Bran for always being there for me
Memories: Pep rallies, Stina's, summer '06, Cheesecake Factory, the TBS show, and movie nights
Great Advice: The most important things to remember are to Live, Love and Laugh.

Sean Ahearn

What a strange four years it has been. I've made friends, kept most of the old, learned a few things, and forgotten a few as well. Here at MHS, I've found new loves in Theatre, whether that be musical, Shakespearian or any other kind. Film both behind and in front of the camera, and even the difficulties of the Russian language. I admit I have made mistakes, but it has been learning from these that I have become the person that I am today. I'll always love all of my best friends, and I know we'll stay close.

I would just like to thank all of the people who have helped me through my four years at MHS. Mrs. Tucker, you have been the greatest help of all. You have been my guide and my conscience, and have always been there for me. I will always remember you. There are many people who have helped me through my years at MHS and I would like to thank you all: The cafeteria staff, Mrs. Cowan, Mrs. Walgreen, Ms. Duggan, Mr. Branagan, Mr. Osgood, Mr. Healey and Mr. Pelletier. There are so many more that I would like to thank, like Mrs. Magazu and Mrs. Gleavy. I just want to thank you all and let you know that even if I didn't mention you by name, I will remember your help and guidance always.

CLASS OF
2007
LLISTER

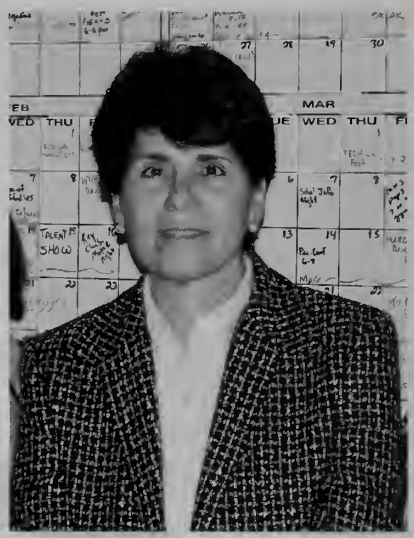
To The Class of 2007:

Earning your high school diploma is a significant achievement and milestone. During your high school experience you faced new challenges and worked hard to meet many academic expectations. You should be proud of your hard work and effort that has culminated in your graduation from Middleborough High School. The entire school community joins me in applauding your success thus far.

Now you are leaving the familiar setting of M.H.S. and will soon embark on the pursuit of your dreams. Dare to have bold dreams. Believe that your dreams are possible. Don't allow skeptics to dampen your passion to achieve your dreams. In the words of Henry David Thoreau "Go confidently in the direction of your dreams. Live the life you have imagined."

Sincerely,

Robert M. Sullivan, Ed.D.
Superintendent of Schools



Dear Graduates,

From the September day when I showed you the jar filled with 180 marbles until now, you have lived up to my challenge to make the most of each day of your last year of high school.

This book will evoke memories of all the teachers and friends who have helped you to reach your goals. I hope that as you approach graduation you will take the opportunity to show your appreciation to all those who have helped you along your journey.

You have continued the legacy of participating in some of the best student government, theater, art, and athletic programs in the state. The depth of your kindness and generosity has been greatly appreciated by the faculty, staff, and community. Finally, you have been a fun class to work with, and you keep Mrs. Mortensen, Mrs. York and myself forever young.

Congratulations and best wishes for a happy and healthy future. You are always welcome at Middleborough High School.

Sincerely yours,

Katherine C. Flaherty

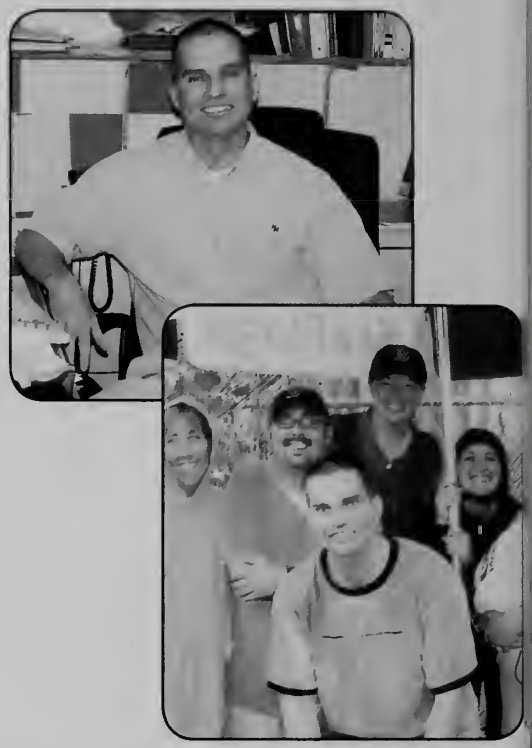
A Salute to Starz

Lieutenant "Bill" Starz always wanted to join the military, so when he graduated from high school, he enlisted in the Marines for four years of active duty. After September 11, 2001, he joined the Army Reserves. Mr. Starz, one of our guidance counselors, announced that beginning in 2007, he would be fulfilling his military obligation with a tour of duty in Iraq, where he will be serving as a civil affairs officer, acting as a liason between the military and the civilian population. When asked to comment, he stated, "My family is very proud, but at the same time, it is very hard for them."

We wish Mr. Starz the best and look forward to his safe return in the spring of 2008.



Farewell Mr. Howard

1977

2007

"I teach to stay young, active, and passionately alive, as I constantly deal with the energy and positive enthusiasm (usually) of students' unfolding lives. I enjoy sharing my enthusiasm for life and the basic values that teach us that life's greatest joys and victories are not cheaply bought but are paid for by those who are disciplined and focused long enough to realize that the greatest gifts we recieve are those that only we can give ourselves"

- Damon Howard

For the past 30 years, Mr. Howard has been compassionate about teaching history to the students at MHS. He tries to get students to "dig deep within themselves," so they can acquire as much knowledge as possible. Mr. Howard has learned to have patience and understanding especially as teaching has become more challenging than it was 30 years ago. He tries to instill in his students respect for themselves and others as it defines who they are. Mr. Howard will miss the large community of learners at Middleborough High School-students, faculty and colleagues. During his retirement, he plans on traveling to different places around the world as well as volunteering to work for non-profit organizations.

The faculty, staff and students at MHS wish Mr. Howard a healthy, happy retirement.

Ileana Kraus Visits from Germany

My name is Ileana Nina Kraus. I am an exchange student from Cologne, Germany. I live with my sister, Alexia, and my parents. A few years ago, my sister came to America for a year and I wanted to have that experience too. I was able to come through an organization that helped me get a visa, and I am staying with a family who has relatives that I know in Germany.

In Germany the lifestyle is very different from the United States. I live in a big town in Germany. When I want to meet friends, I have to take the subway or the bus because I can't get my drivers license until I'm 18 years old.

I am currently here as a senior until the end of June and while I am at Middleboro High I am participating in the varsity swim team, concert choir, and orchestra. In concert choir I am a soprano and in the orchestra I play the violin.

Student Council

"My favorite activity to plan and take part in was the "Let the Magic Begin" annual Lock-In in September. The executive board spent months creating a a magical 12 hour night. All 200 council members entered the gymnasium to the Executive Board dressed as various Disney characters registering them for a night they'd never forget. There was an enormous replica of the Magic Kingdom stuck to the gym wall. The night ended with a candle lighting ceremony where Senior Executive Board members left some encouraging words and songs to underclassmen. Our advisor, Mr. Branagan, read a children's book titled "The Dot" that related to the night and the amazing year ahead of us. Our magical theme has lead us through another successful year with the MHS Student Council and I am proud to be the President of such an amazing group of people."

SAC

The Student Advisory Council is made up of students who are elected annually to serve as representatives to the Southeast Regional Student Advisory Council. With the help of the students, SAC can discuss current legislation that impacts all students. This years two representatives are Sean Ahearn and Liz Healey.

HOBY

Every year a sophomore student is selected to be apart of the HOBY program. This year thousands of men and women will participate in the Hugh O'Brian Youth Leadership (HOBY) program, making it America's premier youth leadership development program. HOBY started in 1958 and nationally reaches out to every public and private high school. This year sophomore, Courtney Simao has been selected to represent HOBY for Middleborough High School.

Mass Star

Massachusetts Students Accepting Responsibility (MassSTAR) helps to empower students to accept responsiblility as citizens and helps create a positive change in our society. These young leaders help to mold their communities and become aware of society. This years representative is Allison Porter.

School Council

The Middleboro High School, School Council is a building-based advisory committee designed to help improve decision making, planning, communication and community participation in the operation of the school. The student representative helps school officials in creating the annual student handbook as well as assisting the officials in other necessary decision making throughout the school year. The School Council student representative this year is Beth Von Iderstein.

YMCA Youth and Government brings the workings of state government alive to students. It creates an opportunity for students to discuss current state issues with state administrators, elected officials, and students from high schools and YMCA's across the state. Each conference is led by teens elected to office by their fellow delegates, where they are guided through mock meetings and can debate or vote on bills student delegates have presented.

Close Up

Each year during April vacation, Mrs. McKenna travels to Washington D.C with students who are interested in the government. The program is called Close Up and was founded in 1970. Over 20,000 students, teachers, and others take part in studying the nation's capital for one week. Students from around the country join together to learn how they can become a part of the political process. Mrs McKenna has been taking students to Close Up Washington since 1977.

Student Government Day

Each year more then 400 high school juniors and seniors arrive at the Statehouse for the annual Student Government Day. For one day students "take over" the roles of court justices and legislators while holding mock committee hearings and mock formal sessions in the Senate and House. This opportunity is to give students a first-hand look at how state government operates. The two juniors selected this year are Amanda Chipman and Jenna Sweizter.

Speech & Theatre

Speech & Theatre Workshop (STW) is the after school co-curricular theatre program established in 1978 for the purpose of giving talented students the opportunity to participate in the production and performance of plays from the great treasure of world theatre. STW sponsors field trips to regional colleges and professional theatres, develops community projects, and hosts a number of "Open-Mic Night Coffee Houses" in addition to the four productions it produces each year - the Fall Show, MHS DG Festival Show, Senior One Act Festival, and That's Entertainment. Ms. Duggan & Ms. Antil direct and produce the shows at MHS.

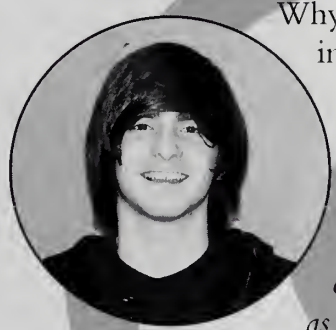
Why is Speech and Theatre important to you?



"Speech & Theatre Workshop is the energizer of my life. It's being able to be yourself in a comfortable environment and explore possibilities while growing as a human being; an event you need to experience in order to know what I'm talking about. STW as a whole has made me who I am today-a wide ranged thinking individual."
- Johnny Sederquist, STW President

National Honor Society

National Honor Society is an organization that recognizes students for their academic excellence, leadership achievements, and contributions to the community. This is more than just being on honor roll, the students that are inducted have demonstrated excellence in the areas of Scholarship, Leadership, Service, and Character. These characteristics have been associated with membership in the organization since their beginnings in 1921.

What is DECA? What are some of the activities that DECA becomes involved with?

"DECA is a national organization educating high school and college students to excel in the business and marketing world. A common misconception about DECA is we are "all work and no fun"but in reality we have a lot of fun and do fun work. As far as activities, DECA focused on charities this year. One big charity we were involved with was Rosie's place. We collected warm coats, hats and mittens and delivered them to the shelter. "DECA has been a very rewarding experience."

Dedicated, inquisitive, and very busy- that's how you would describe the students enrolled in Television Production. Based at the television studio at Nichols Middle School, these students get to use cutting edge digital video cameras, Macintosh editing suites, Finalcut Pro editing software, and a myriad of other technologies and software to create both in studio and out of studio programming. The projects are graded and many are shown on Educational Access Channels 20 and 95. When they are not filming plays, concerts, sports, and other events, television production students find themselves creating the shows "Sachem News Break" and "Listen Up" and also produce the DVD yearbook supplement. Past television production students have gone to colleges that specialize in media or media related fields. The current television production advisor Mr. Pelletier and the assistant advisor Mr. Healey are both former television production students.

PCC

Each summer since 1968, more than 500 high school freshman and sophomores from across Southeastern Massachusetts spend part of their summer at Bridgewater State College. The Project Contemporary Competitiveness program (PCC) is designed to give underclassmen a campus experience and the chance to explore subjects not usually offered in high school. For six weeks, students live in dorms, take classes and join different activities. These students are selected by their school and are chosen for their academic potential and maturity. Mr. Branagan is the director of PCC.

Timaron is the name given to the high school yearbook. It stands for "Time Marches On". Looking back at old yearbooks, the name "Timaron" first appeared on the cover of the 1956 yearbook. Before that it was called Memorialite (1955), the Orange Peel (1954) and The Centennial (1950). Whatever it's called the yearbook has changed a lot over the years. In 1941 the yearbook contained only 48 black & white pages. This year we have 160 pages; thirty-two pages of color and a sixteen page World Yearbook section. The Timaron is bigger and better than ever!

"Key Club this year has been filled with many opportunities to help people within our school, community, and the world. We have been able to give hundereds of service hours back to the people that have helped us through life and the people who will one day be following in our footsteps. Some of the ways we did this is through programs such as Family Movie Night, Eat to Heat, Operation Christmas Child and many other service projects."
-Evan Pittsley, Key Club President

Art All State

When being selected into Art All State, the students have to demonstrate interest in visual art, have imagination, and be willing to experiment new situations. Only one hundred and forty students are invited to attend Art All State. Students that are nominated usually consider furthering their education in art. This year senior Jillian Ralleo has been nominated and selected to this competitive program.

"What did you learn from being a peer mediator?

"I've learned that helping people doesn't just benefit them but it also benefits me as a person who is about to graduate and go into the real world. What's been so rewarding is coming out of the mediations knowing that I've helped students solve their problems by talking and not turning to violence."

"What is the Anime Club? What is it about?"

"The Anime Club is a club which meets once a week and is associated with Japanese animation. We watch videos of anime movies or shows, talk about various anime related topics, discuss manga, which is similar to a normal comic book but is read from back to front, and play games. We are currently working on our own comic series that features characters that are none other than the members of the club in a high school setting. Anime Club is open to any student who enjoys Anime and likes to get together with other fans and just have fun."

GSA

The Gay-Straight Alliance is a student run club, which provides a place for students to meet, support each other, and talk about issues related to sexual orientation. This group has organized the Day of Silence in the past, which participants remain silent all day to acknowledge one another. The two MHS students that participate in the program are Sean Ahearn and Arthur Battistini.

Fire Science

L-R: *Santina McMahon, Lindsay Hills, Justin Wrightington, Brett Decker, Nick Amaral, Evan Chand, Russell Smith, Tom Eaton*
Not Pictured: *Instructor Firefighter Fahey*

Fire Science is an internship program offered at Middleborough High School. Participants selected for this program have expressed an interest in becoming firefighters. Students don't just sit at desks to learn, they report to the Middleboro Fire Station for two blocks every other day. They receive classroom instruction as well as attending staged live fires. These students learn what is takes to become a firefighter first hand. This year students were involved in a search and rescue and many other real life scenarios. By the end of this school year students will walk away with a knowledge which will not be forgotten as well as a new respect for the fire department and the dangers that they face.

What is your favorite thing about this class?

"Our favorite aspect of this class is being able to take what we learn in the classroom and apply it through simulated drills like search and rescue. We get the opportunity to learn first-hand from the firefighters, whose experience give us a better understanding of what this job is like." -Lindsey Hills & Santina McMahon, Fire Science Interns

Police Interns

Each year a few selected seniors who are interested in law enforcement participate in the police intern program. These students learn the basics of what is means to be and become a police officer. They learn how to use the dispatch system by answering phones and listening on the radio as well as sitting in at different court cases. Most of the opportunities are rewarding, but they still have to learn all the paperwork behind it. During their clerical work, students enter citations into the computer while also doing other various paperwork. At the end of their internship these students will be able to better understand the law enforcement world as well as what is takes to become an officer of the law.

Child Care

The Child Care Program offers an in depth study of preschool children and the curriculum to guide them. It also offers an opportunity to work in a child care setting observing, interacting and teaching children. If you think you might be interested in working with young children, this is a great way to test the waters.

The Child Care Experience
by Katelyn Schoener & Kellie Olson-

"In the child care program we work with children and learn how a daycare operates. This experience has taught us ways to interact with children and to learn different teaching methods."

Students participating in the Food Management Intern Program are placed in various restaurants and other community settings such as schools and nursing homes in order to learn about the food service industry. The students perform various duties such as culinary prep work, host/hostess duties, bus person, and cashier, etc. This experience, which take place both junior and senior years, gives students valuable first-hand knowledge of the exciting, interesting world of the food service industry, and points them toward a successful career after high school and college.

Plimoth Plantation

On a drizzly day in the fall of 2006, the students and staff from Room 219 visited Plimoth Plantation. The group visited the Pilgrim village and the Wampanoag home site, where they talked with the costumed role players and the modern-day Native American staff. Despite the damp weather, everyone had an enjoyable time and learned a lot about the Pilgrims and the Native Americans.

Captains Mike Ohrenberger, Eric Shelters, and Josh McLaughlin led the Sachems to another birth in the Massachusetts State Tournament, finishing with a league record of 8 wins and 5 losses. At the plate the Sachems were a productive team with 227 hits and a team average of .363. Clean up hitter, Josh McLaughlin, hit a league leading 6 home runs and finished with a .477 batting average. On the mound, John Thrower dominated his opponents with a 7-1 record and an era of 1.28. Eric Shelters also pitched well for the Sachems pitching 38 innings, allowing just 10 earned runs. In the field, Scott Gendron led a young defense that was determined not to allow unearned runs. Justin Wilson, Zac Porter, Josh Shelters, Nick Bean and Evan Chand all played well defensively. The team also had four players selected to the Patriot League All Star Team, Eric Shelters, John Thrower, Josh McLaughlin and Scott Gendron all represented the school well.

Softball 2006

The Varsity Softball Season was filled with ups and downs-victories and defeats-but began and ended with strong team spirit. The core of this team were the seven members of the Class of 2007, and it was the four years of hard work on the field at MHS and the good times todgether-like the Florida trips-that made this a team to remember. Seniors Jamie Andrade, Captain Lindsey Hills, Captain Santina McMahon, Jessica Perry, Jordan Pothier, Jess Priestly, Captain Abi Tucker and Jenn Wrynn exemplify the determination for success, and the love of the game of softball that makes a successful team.

The 2006 spring track team enjoyed a winning season going 5+4 in a tough patriot league, led by senior captains Barbara Murphy, Alicia Farrell, Kelly Muirhead, and Lindsey Craig. Other senior competitors were Chrissy Niven, and Erica Newall. Murphy was the team high scorer and MVP. Farrell was undefeated in the shot put and set a new school record. She was awarded the most outstanding field award. Muirhead was voted most outstanding track award and could run any event. All three of these outstanding athletes were named to the Patriot League all star team. Lindsay Craig was voted the coaches award for being a great leader and always putting the team first. Chrissy Niven and Erica Newall were excellent competitors in both running and throwing events. All of our seniors will be greatly missed.

The most outstanding returning athlete will be Ashley Kelly who went undefeated in the discus and was named the 2006 patriot league discus champion. We are looking forward to an exciting spring season in 2007 with some talented underclassmen.

Boys Tennis 2006

The boys tennis team made steady improvements in the 2006 season led by captains Mike Campbell and Steve Dudek. Campbell played number 1 singles and held his own against a tough Patriot League schedule. Steve Dudek and Mark Cunningham rounded out the singles, playing tough matches all season. Evan Pittsley and Scott Fanara had a great chemistry at first double, and Marc Turner and George Gamache competed at second doubles most of the season.

The 2006 Girls Tennis season proved to be a fitting send-off for all of the four-year varsity players that have dedicated themselves to their school and their sport. Senior Captains Kellie Holden, Melissa Konish, Mary Shields accompanied by fellow senior leaders Leeann Prakop and Jessica Mix led the Sachems in their 2006 campaign. Junior Captain and first singles player, Kristina Legge followed by fellow underclassmen Desiree Silva, Stephanie Stoddard, Alison DeArruda, Amanda Rodriguez and Lacey Craig rounded out the roster. Though many players notched numerous individual wins, the team lacked the number of team points to make it to the state tournament. However, the team did not lack the work ethic, determination and heart to make the most of a great season. Many underclassmen were able to shine alongside the veteran leaders.

The Sachem Football team came up short on their goal of another winning season, but by all accounts played very exciting football, every game. Finishing 5-6 on the season, the Sachems lost 3 games by a combined total of 4 points and another in a painful overtime loss to Austin Prep, 50-44. Putting points on the board generally was not a problem for the offense as it averaged 26 points a game for the second straight year. Three-year quarterback starter, Justin Wilson, running backs, Julian Santos and Henry Hufault and ends, Chris Pilla and Nick Bean were responsible for most of the offensive production. Sam Andrade, Tim Theriault, James Muirhead, Matt Barrett and Derek Resler dominated the front line. Sophomores Jarrid Pike, Dom Bailey and Stanley Wright played key roles on both sides of the ball for the Sachems as well.

The Sachem Cheerleaders adapted to a lot of changes this fall season, but with the girls' hard work and dedication it turned into a successful season. With cheerleading camp in the summer, running two miles every practice and putting their best effort forward, they were prepared to compete in the Patriot League Competition which took place in November. However, they really excelled in supporting and showing spirit for the Sachem football players on the field this year.

The underclassmen will surely miss Captains Kacey Daly and Christina Oteri as well as the other seniors Jenn Wrynn, Christina Ricci and Kayla Venckauskas.

The Sachems XC girls made dramatic improvements over last season. They doubled their numbers (from 3 to 6) and were able to compete and win races. Led by captain Kaitlyn Heath, the girls won their first race of the season against Randolph High School in grand fashion taking 2nd, 3rd, 4th, 5th, and 8th places. The competitive season was short-lived unfortunately as absence, injury, and tough league competition prevented any other team wins. The girls did not let that stop them. They continued to train hard and race well through pain and injury.

Next year we will again look forward to Kaitlyn's leadership as captain. Personality like senior Amanda Harding. Fortunately for the team, sophomores Yasmeen Abu-Alsaoud and Elissa May have really matured as competitors and are not ready to challenge the league. Their unmatched work ethic, and "can do" mentality has really helped the team to find success. Hopefully this season was the start of something great for Sachems Girls Cross Country.

The Lady Sachems are off...

The Sachems XC boys improved by leaps and bounds this season. The team worked together to get stronger each race. They had its first 2-win season since 2002. The boys defeated Rockland and Carver this season, showing their dedication to hard work and improvement. In addition to a pair of team wins, the boys all improved their times on our home course by minutes. The new super-challenging course is one of the toughest in the league. The other teams and coaches are buzzing about our new course (and hill). Next year with continued improvement, our competitors will have a tough time coming into our house and walking away with a win.

The boy's team was unique this season. Our top eight included Zach Maddigan, Dillon Simmons, Evan Pittsley, Joe Rose, Rickey Ezerins, Any Oteri, Mike Sukeforth, and Erik Holmberg. Each of these young men will return next season ready to proved themselves and fight for their spot on the team. Next season the boys XC team will be led by captains Dillon Simmons and Evan Pittsley.

The Varsity Soccer season was challenging and fun. While the final record fell far short of what was hoped for, the team experience was the best. Senior Tri-Captains, Ashley Kelly, Jessica Perry and Desiree Silva led the team on and off the field in an amazing way. They are three of the nicest people on the planet and with their passion for soccer, they guided this very young team through this season of learning and improving. The Sachems had 18 total players this year and 12 of them were freshmen and sophomores. Thanks to these great seniors this team is on its way to future success.

Let's stick to the game plan!
Coach Braga to Capt. Ethan Guenard.

The 2006 season brought great soccer excitement during the season. Ten joined the team, leading to great expectations. Seniors and juniors would carry the team, but the freshmen would play a key role in the season's play. Captains Ethan Guenard, TJ Spillane, and Tyler Creeden showed great leadership all season. Freshmen newcomer Michael Lees landed the goalie position. The midfield would get most of the attention this year as two veterans Guenard and Creeden would get things going using Evan Chand, Chris Brady, Kevin Muirhead, Steve Johnson, and TJ Spillane up front in the scoring positions. Defensively, a young team learned to play together improving all season. Freshmen Mike VanRiper and David Card seemed to fit very well in the fullback spots. Coach Braga and Dizel both look forward to working this young team in the 2007 season.

Senior captains Jamie Andrade and Colleen Grinham helped to lead the Sachems all season. Junior Courtney Larrivey provided strong front row play. Setters Lyndsie Brouns and Samantha Fahey along with newcomer Lauren Endicott helped balance the attack. Middleboro was league runner-up and received the team sportsmanship award from the Patriot League. Courtney Larrivey and Colleen Grinham were selected unanimously to the Patriot League All-Stars.

This year MHS Golf was led by senior captains Michael Tucker and Steven Chamberlain and senior Mike Hughes. During the season, the seniors piloted the team through its best season in years. Finishing the year just shy of the .500 mark, the team shows staggering potential for the years to come, manifested by an arsenal of talented underclassmen. Juniors Kendra White and Justin Handerhan regularly prevailed victorious in match play. In his first year playing for MHS, Steve Marble added another dimension of depth to the eight-man lineup for the Sachems. To finish the year, for the first time ever in Middleboro golf history, Michael Tucker qualified for the Individual State Tournament as a result of outstanding play throughout the season. Indeed, this season for the golf team was the foundation for a prestigious future.

The Boys Basketball team, coming off their best season in recent memory, looked to take the program to new heights in the 2006-2007 campaign. Led by Senior Captain Justin Wilson and Junior Captain Joe Pauze, the boys got out to an amazing 5-2 start defeating teams like Randolph, Hanover, East Bridgewater and Carver all in the first three weeks of the season.

After cooling off a bit at the mid-season point, the boys rebounded with a momentum shifting win over Rockland, the first time a Middleboro boys basketball team had beaten Rockland since 1993.

Evan Chand, Mike Hughes, Ben Seaman, Josh Shelters and Justin Wilson played all four years and were integral to the turn around of the program.

The Middleborough High School swim team started the season with a splash. Captains Ashley Sherrick, Jess Perry, Emily Leonard and Dan Beals did very well for the Sachems in the pool and as leaders for the team. The boys team had a 9-2 season and placed third in the Patriot League meet. The girls had a 8-3 season placing fourth for the Patriot League conference meet. Emily Leonard and Brendan Cavallaro placed first for the Patriot League diving competition. Brendan Cavallaro reset his own record this year crushing his old record by more than fifty points. The Middleborough Sachems Swim Team had many accomplishments this year and will only continue to grow for seasons to come.

Under the leadership of Senior captain Troy Morse, a young Sachem wrestling squad finished the season with a team record of 4 - 10. For nearly an hour in December, the team posted an undefeated record of 2 - 0; but the glory was brief. In addition to 14 team competitions, the squad also participated in 6 individual tournaments and the Division III South Section Championship. Senior captain Troy Morse competed in 37 matches at 215 pounds, finishing the season with a record of 23 - 14. In addition to a 5th Place finish at the South Tournament, Troy placed in the top six at each tournament he entered. Twice he made the finals, at Canton and Carver, but he finished as runner-up.

Congratulations to Troy on a Most Impressive Season! Senior Brendon Stephenson compiled a record of 23 - 6 en route to the Division III State Tournament. Champion at both Carver and Canton Tournaments, Brendon was finished in 2nd Place at the South, Marshfield, and Weymouth Tournaments.

Heavyweight sophomore James Muirhead earned an entry to the Division III State Tournament after a 3rd place finish at the South Tournament. James had 18 pins among his record of 21 - 9. He was Champion at Carver and runner-up at Canton. Team members also participated in two Junior Varsity tournaments, a freshman tournament, an all-girls tournament, and a college clinic hosted by Bridgewater State College. With only two graduating seniors, the team is looking forward to next season!

(L-R: Mark Cunningham, Amanda Harding, Ashley Kelly, Chris Brady, Hallie Leonard, Ethan Guenard, Desiree Silva, TJ Spillane)

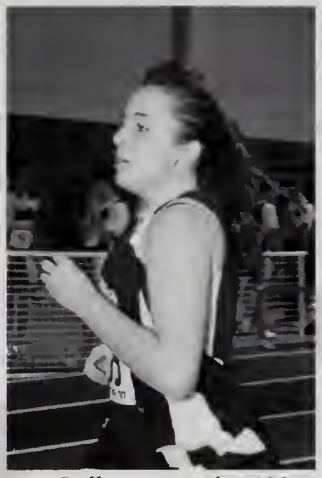
Joe and Chris fight to the finish.

The 2006/7 boys and girls winter track team enjoyed a great season! The girls team, although in a rebuilding period managed to steal a win from Randolph. One of the highlights were the outstanding performances by senior captain Ashley Kelly who was undefeated in the regular season and was named Patriot League shot put champion. The team was led this year by captains Amanda Harding, Ashley Kelly, Desiree Silva, and Hallie Leonard.

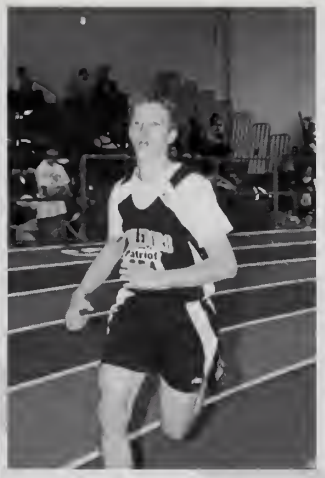
The boy's team finished the season with a 4-2 record. Seniors Mark Cunningham, Chris Brady, Mike Tucker, Dan Mello, Ethan Guenard, and T.J. Spillane led the team. Congratulations are due to Chris Brady who set a new school record in the long jump, and to the 4x200 team who set a new record and qualified for the state tournament. Other great achievements of the team this year were the huge throws tossed by senior newcomer Dan Mello who finished 2nd in the league in the shot put, and to the sachem middle distance runners who improved by leaps and bounds and will dominate the patriot league next season!

Shannon and Hallie lead the pack in the 55 hurd

Desi tries her hand at the shot.



Colleen runs the 600.



Scott whips around the turn.

Mike begins to race the 300.

The Sachem boys take a few seconds for a photo op.

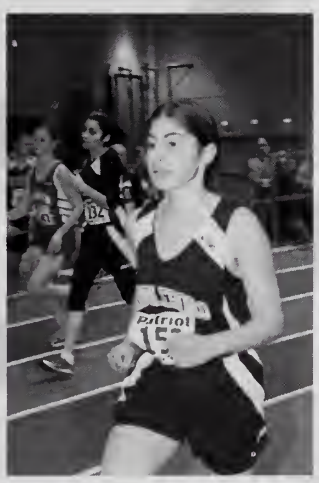
(Courtney Libby, Colleen Devereaux, Rachael Schuberth, Courtney Simao)

Another winning throw by Dan Mello.

Another great jump for Hallie Leonard.



Ani and Yasmeen race the mile.

Travis prepares to pop off a big throw.

Rachael and Abby sprint out of the blocks.

Chris Brady jumps above the High Bar.

Dillon anchors the 4x4 team.

Walking into the Central Cafe is like taking a step back in time - except that most customers will recognize more than a few familiar faces. The Central is Middleboro's version of the place "where everybody knows your name."

The Central Cafe is the oldest cafe in Middleboro. The first customers to walk through the door did so in 1923. The comfortable booths wear the patina of age. The handsome mahogany bar with chestnut rail was purchased by the former owner Angelo Doscoulias's father in Boston for his son's new Middleboro establishment over 70 years ago.

The exterior of the cafe was remodeled in 1997 to create an Irish pub-style entrance that hints at the informal atmosphere of a neighborhood bar from another era. Sometimes the prices seem reminiscent of another time as well. The Central's famous cheese pizza - a long time staple of post-event celebrations for local little league team members and spectators alike. The price, just $2 all day on Monday for eat-in customers. On Tuesday and Wednesday pizza is half price for single and combination toppings.

The Central boasts the best draft beer selection in town for those who don't take the term "pizza and beer" lightly.

Bill Fuller and Mark Hannon proudly welcome you to the Central Cafe. We strive to provide excellent service, top quality food and an enjoyable atmosphere. In keeping with the tradition of our "hometown" cafe.

Thank you for your support. We look forward to seeing you.

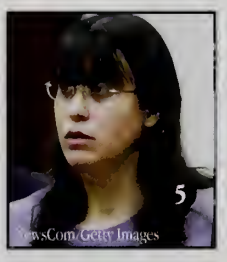
WORLD EVENTS

1. President George W. Bush announced in January 200" that he would send an additional 21,500 troops to Iraq to improve security and assist with U.S. efforts there. Bush vowed that the Americans killed would not have died in vain. The 2008 budget projection for fighting in Iraq and Afganistan and repairing and replacing equipment lost in combat was an estimated $141." billion. American death tolls in Iraq eclipsed 3,150 and the official total for Americans wounded surpassed 23,500.

2. Austrian police confirmed the identity of Natascha Kampusch, believed to have been held captive since her abduction as a 10-year-old.

3. Through the prime cruise season, there were breakouts of the highly contagious norovirus on ships sailing the world's seas. Hundreds fell victim to the virus' flu-like symptoms.

4. Congress extended Daylight Savings Time for the sake of energy efficiency. Clocks were changed March 11 rather than the first Sunday in April.



5. Texan Andrea Yates was found not guilty by reason of insanity of murdering her five children by drowning them in a bathtub five years ago.

6. A newborn male white buffalo in a Wisconsin herd attracted the attention of Native Americans who consider the animal sacred for its potential to bring good fortune and peace. This is the third white buffalo born into the herd.

7. In January 2007, Northern Europe was hit by an unusually strong storm which killed an Englishman when a falling branch crushed his car. Heavy rains and gale-force winds caused delays in air and sea travel. 8. Former State Department official Richard Armitage admitted that he inadvertently revealed CIA employee Valerie Plame's identity to reporters.

9. CBS correspondent Kimberly Dozier was the only member of her crew who survived a June car bombing in Baghdad. 10. Students found a way to receive messages in class by downloading a ringtone with a pitch so high teachers couldn't hear it. 11. As much as 75 percent of California's citrus crop was damaged in a January 2007 cold snap that lasted more than a week. 12. Gerald Ford, the 38th president, died on Dec. 26, 2006, and was buried in Grand Rapids, MI.

13. On Sept. 6, 2006, British Prime Minister Tony Blair announced that the 2006 Labour Party conference would be his last. 14. Apple Computer's new $499 iPhone was a major release at Macworld 2007. 15. The death of former Chilean dictator Augusto Pinochet prompted demonstrations of celebration. 16. The family of Milena Del Valle filed a wrongful death lawsuit after she was crushed by 12 tons of concrete in a "Big Dig" accident at the Boston highway construction project.

China successfully used a missile carrying a "kill vehicle" to blast an old Chinese weather satellite from its orbit 537 miles above Earth. U.S. government officials said that the test could undermine relations with the West and pose a threat to satellites important to the U.S. military.

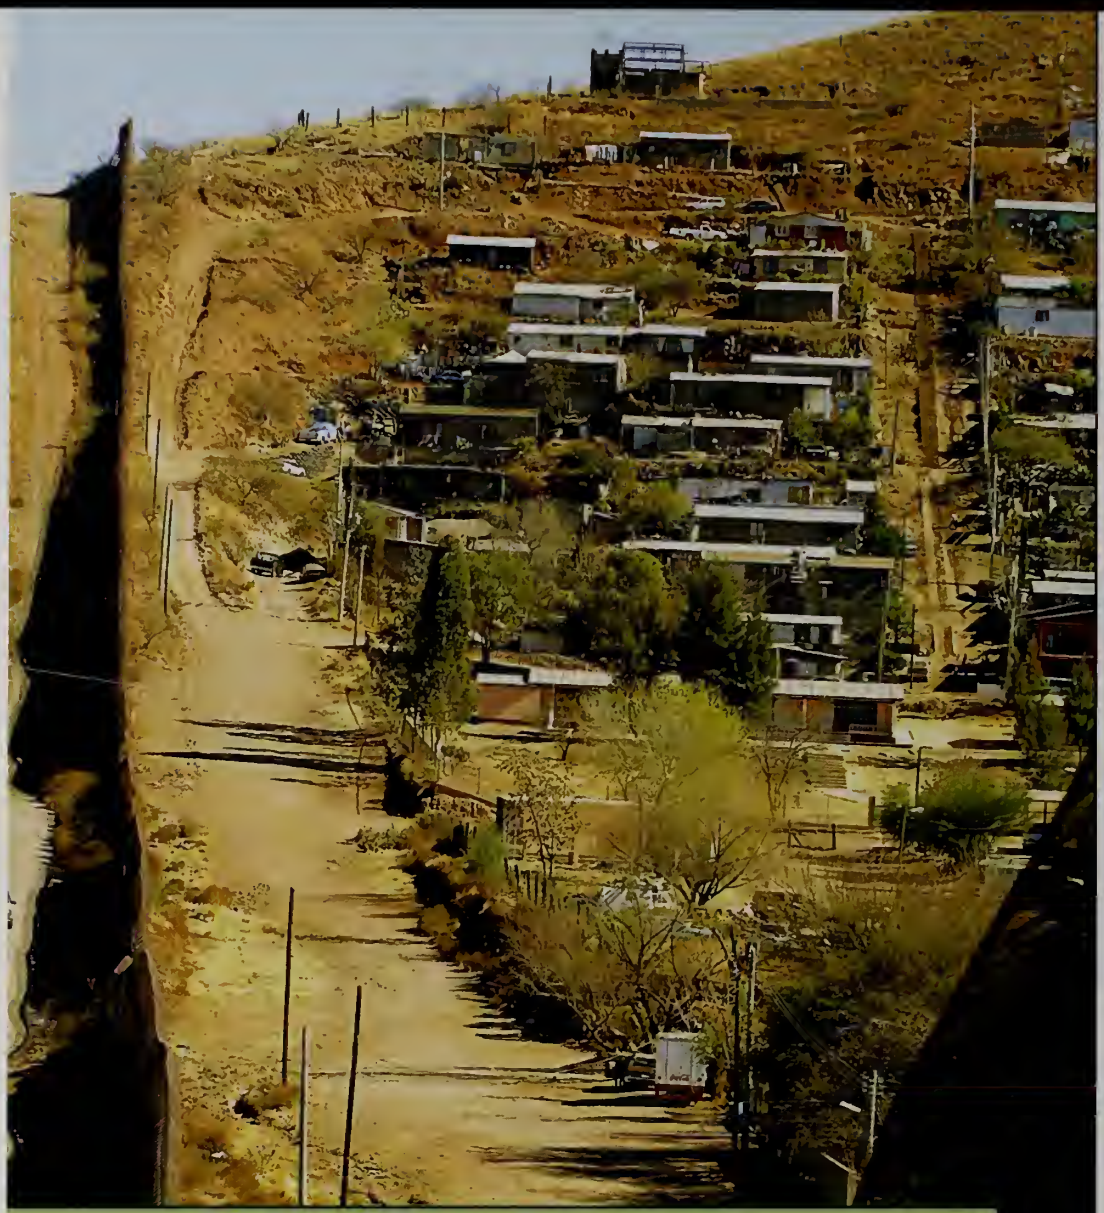
A team of French doctors removed a cyst from a man's arm in a 10-minute mid-air surgery used as a feasibility study for possible surgery in space. The five-doctor team operated in near zero-gravity conditions produced by an Airbus 300 looping to create interval dives simulating weightlessness.

A Kansas teenager racked up perfect scores on the ACT and SAT. Jakub Voboril of Wichita got a 36 on the ACT on his third try. He received his SAT results shortly after the perfect ACT score: a perfect score of 2400. He did check out test prep books, but his advice: "Pay attention in class."

The baiji, a rare, nearly blind white river dolphin, is effectively extinct. Researchers say pollution and overfishing in the Yangtze River caused the species' demise. Plus, ship traffic there confused the sonar the baiji used to find food.

Americans won the Nobel prizes for physics (John Mather of NASA Goddard Flight Center and George Smoot from UC Berkeley with their satellite program that backed up the Big Bang theory), chemistry (Roger D. Kornburg from Stanford School of Medicine who studied how cells take information from genes to produce proteins), medicine (Andrew Z. Fire from MIT and Craig C. Mello from Harvard who discovered a way to turn off specific genes) and economics (Edmund S. Phelps from Columbia University for examining the trade-offs between inflation and its effects on unemployment).

Houston truck driver Tyrone Williams was spared the death penalty and sentenced to life in prison for his role in the nation's deadliest smuggling attempt – a journey that ended in the deaths of 19 illegal immigrants crammed into a sweltering tractor-trailer, after Williams abandoned them and the rig.



1. The American Border Patrol monitors a 45-mile metal fence separating the two cities named Nogales. About 20,000 people live on the Arizona side (left); 200,000 on the Mexican side. Immigration remained an emotional issue. In addition to legislation strengthening border security, the Senate proposed programs where long-time illegal immigrants could apply for guest worker permits or "earn" their citizenship. Conservatives opposed the legalization plans, saying they amounted to "amnesty."

2. Congressman Bob Ney, R - OH, pleac guil to federal criminal corruption charges announced he would not seek re-electi

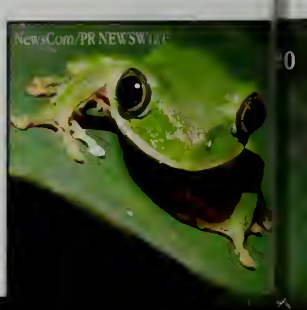
20. Scientists documented more than 1 biological species unique to the Eastern Mountains of Tanzania and Kenya. The which is slightly smaller than the state Island, is mainly forested.

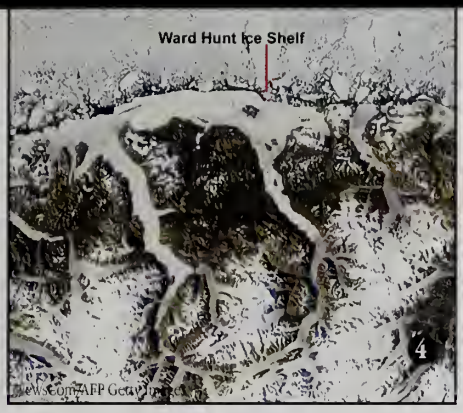


17. President Bush signed legislation in October authorizing tough interrogation of terror suspects and trials before military commissions. While Bush claimed that he knew the bill would save lives, the ACLU called it "one of the worst civil liberties measures ever enacted."

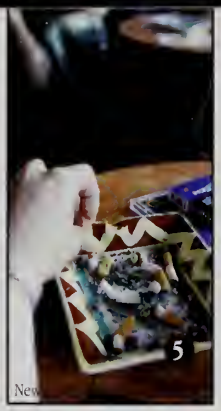
18. A 6.3 magnitude earthquake struck Indonesia on May 27, 2006, killing more than 5,800 and injuring 36,299. Thousands of aftershocks followed and hundreds of thousands were left homeless in central Java.

19. November releases of Playstation 3 and Wii were immediate sell-outs. Sony's 400,000 Playstation 3s cost $600, but Nintendo priced the Wii at $250 including one game and expected to sell 4 million units by year's end.

3. For these youngsters in St. Louis, fire hydrants were the only source of relief from July's heat after storms knocked out electrical power.



4. Citing climate change as a cause, scientists studied a giant ice shelf – the size of Manhattan – which broke away from an island south of the North Pole and was adrift as an independent island.

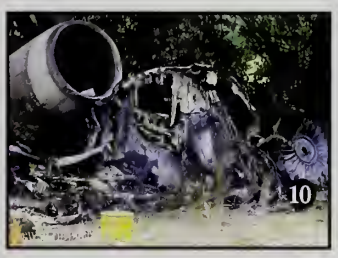


5. Findings from the surgeon general declared secondhand smoke at any level a hazard.

6. Fighting in Lebanon lessened after the U.N. Security Council passed Resolution 1701, but Hezbollah leaders insisted they would not drop their weapons.

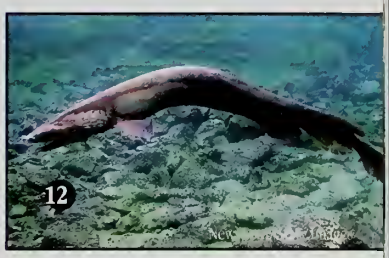
8. Billionaire Warren Buffett announced that he would be donating the hulk of his wealth to charity, mainly the Bill and Melinda Gates Foundation.

9. Health issues caused Cuban leader Fidel Castro, 80, to relinquish power to his brother, Raul, in July. Officials would not disclose his condition.



10. In August, a Lexington, Kentucky, crash killed 49 of 50 people aboard the Comair flight bound for Atlanta when the plane was assigned to a runway too short for safe take-off. New policies for air traffic controllers resulted.

11. Enron founder Kenneth Lay (who died in 2006) and former CEO Jeffrey Skilling were found guilty of fraud and conspiracy in Houston in July.



12. A frilled shark was captured on videotape south of Tokyo. These sharks are rarely seen because they live in water between 1,968 and 3,280 feet deep – which is deeper than humans can go. The shark died shortly after its appearance.

14. Warren Steed Jeffs, a polygamist sect leader on the FBI's Most Wanted List, was arrested near Las Vegas in August. He was wanted for arranging marriages between underage girls and older men. **15.** Timers hidden in pencils were discovered at several of the seven sites where bombs exploded on commuter trains in India's financial capital, killing 185.

16. Gas prices repeatedly hit record highs in July and August, averaging more than $3 for a gallon of self-serve regular when a technical fault and pipeline corrosion in BP's Prudhoe Bay oilfield in Alaska cut production.

21. Polar bears are considered a "threatened" species as scientists predict that global warming may eliminate their habitat entirely by 2040. The report said there is little doubt that global warming has been caused by human activities.

22. A woman who disappeared in the jungles of Cambodia as a child was found 19 years later. The 27-year-old, who does not speak, was identified by a scar on her arm. She disappeared in 1988 while herding buffalo.

Blast injuries killed Al-Qaeda leader Abu Musab al-Zarqawi in June when bombs were dropped on the Iraqi safehouse where he was meeting with associates.

In October, searchers found bones believed to have been overlooked in searches following the 2001 World Trade Center attacks. Search officials identified dozens of areas to be re-examined; the active search to identify the dead ended in 2002. More than 40 percent of the 2,749 victims have never been identified with DNA matches.

The Dow Jones industrial average closed above 12,000 for the first time ever on Oct. 19, 2006, and remained above that lofty benchmark through year's end.

Concentration camp and incarceration records would be the first Nazi documents released under a plan to make millions of files stored in Germany accessible to Holocaust researchers. Holocaust survivors have waited decades to see records meticulously kept by the Nazis; transport documents and death lists, and notes on concentration camp inmates ranging from their hereditary diseases to the number of lice plucked from their heads are included.

At 14, Michael Perham, from Potters Bar in Hertfordshire, England, became the youngest person to sail solo across the Atlantic Ocean. He arrived in Antigua in January, seven weeks after setting off on the 3,500-mile journey from Gibraltar aboard the 28-foot boat, Cheeky Monkey.

Three climbers stranded after a fall on Oregon's Mt. Hood were rescued in February after spending the night amid ferocious winds and blowing snow. The two women and a man slipped off a ledge and fell about 100 feet in the process of descending from a winter climb and camping expedition interrupted by bad weather. In December, three members of a climbing party perished on the 11,239-foot mountain when the group became separated. After 10 days, searchers recovered one of the bodies in a snow cave and called off their work as another winter storm approached the area. The other climbers were presumed dead.
